ELSTEAD LIGHTING UK STANDARD CONDITIONS OF SALE

(DESIGNER'S LIGHTBOX IS A PART OF ELSTEAD LIGHTING)

1. General

References to 'we,' our' and 'us' refers to Elstead Lighting Ltd (of which Designer's Lightbox is a sub-brand); references to 'you' and 'your' are reference to the party which is the buyer from us. All goods supplied by us are supplied on the following terms and conditions and no variation hereof or term inconsistent herewith shall have effect unless such variation or term is expressly accepted by us in writing under the hand of a Director or employee expressly authorised by us to do so.

2. Orders

All orders are preferred to be on an official purchase order and clearly signed. Verbal orders will not be accepted. Where orders are placed by a text based e-mail, the risk is upon you for the accuracy and validity. All orders will have an Elstead Sales Order confirmation sent to you for checking. It is your responsibility to check this and advise if any errors or omissions have been made within 2 hours of mailing. If later an order is found to be incorrect after shipping then we are not responsible for the consequential costs.

3. Quotation & Acceptance

Unless previously withdrawn or otherwise specified by us in writing, our quotations are valid for 30 days from the date on which they are tendered. Where orders are placed by you with no previous quotation by us, then no order is binding upon us until we have either accepted the order in writing or commenced performance of the order.

4. Prices

We reserve the right to vary our prices without notice and unless otherwise expressly specified in quotation, goods are supplied at the price ruling at the date of delivery.

ALL prices are exclusive of Value Added Tax, unless expressly indicated in writing to the contrary.

5. Payment

- Pro-forma invoices / accounts are to be paid in full prior to acceptance of order including carriage and VAT where applicable.
- Subject to a third party credit reference and two up-to-date trade references, a monthly credit account may be opened by you in which case

payment shall be due not later than the end of the month following the month in which despatch of the goods is made to you or your carrier or agent. In the case of monthly credit account customers, punctual payment is a condition precedent to further deliveries and in no case is any deduction allowed in the case of late payment. We reserve the right to charge interest at a rate exceeding 2% per calendar month from the date of invoice.

- For approved account holders only, 2% settlement discount may be taken if payment in full is made within 7 days from date of invoice. Where a deduction has been taken outside of 7 days, the deducted sum will remain on your account to be settled in full. We reserve the right to change or withdraw this settlement discount option at any time.
- We also reserve the right to apply a minimum invoice charge of £25.00 nett excluding carriage and VAT.

6. Delivery / Carriage

- Carriage will be charged on ALL orders for third party or consumer / private addresses, regardless of value at a minimum rate of £15.00 per shipment, subject to size and destination.
- Unless you have signed up to any special agreements to the contrary, carriage (£14.00 + VAT as of 01.09.2018 but could change at any time) is charged on all orders to UK mainland business addresses only, that have a nett value of £200 or less excluding VAT. Shipments to UK offshore such as Isle of Man, Northern Ireland, Channel Islands etc, as well as the Scottish Highlands have additional surcharges subject to order size and service requested. Carriage may also be charged on all orders where a Next Day delivery service is required regardless of value.
- Additional Carriage of £25.00 to £50.00 ex. VAT is charged on all oversize fittings. Full list of rates is available on request and current products subject to this charge are denoted on the price list.
- Should a fitting require a wooden crate to be made for special shipping requirements these will be quoted for in advance and will be charged at production cost plus 10%.

ELSTEAD LIGHTING UK STANDARD CONDITIONS OF SALE (continued)

(DESIGNER'S LIGHTBOX IS A PART OF ELSTEAD LIGHTING)

- e. In all cases dates quoted by us for delivery are indicative only and subject to confirmation by us at the time your order is placed. We accept no consequential costs for late deliveries.

7. Permissions and Territory

- a. We operate sales of a number of brands and not all of these may be available to you. Please refer to you nearest Sales Representative for clarification.
- b. All trade clients are requested to sign a trading agreement prior to opening of a trade account. New accounts will not be opened until this paperwork is signed and approved. At this stage permissions and restrictions will be made clear relating to this specific agreement.
- c. If you are selling online, then specific Internet Guidelines must be met. This will be provided on application of opening an account or when starting to do this activity in the case of an existing client.
- d. All internet sellers are restricted to sales territory only being granted into the UK mainland only and explicitly not overseas without our prior approval in writing signed by an Elstead Director in advance.
- e. Strictly no permission is granted to any online sellers to use our offline trademark brands Crimway, Lightbox Collection and Distinctive Lighting, including any attempt to utilise SEO, code numbers or names in an attempt to purport you as a reseller of these brands. Failure to abide by these rules could put your supply and account status at risk.

8. Passing Of Title And Risk

- a. From the time of delivery, the goods shall be at your risk and you shall be solely responsible for their custody and maintenance as if you were the owner. However, unless otherwise expressly agreed in writing, the goods shall remain our property until all payment due under the contract between you and us has been made in full and unconditionally or, until resale of the goods by you bona fide in the ordinary course of your business and at full market price and you shall sell as principal only. Whilst our ownership

continues, you shall keep the goods separate and identifiable as our bailee from all other goods in your possession.

- b. You hereby irrevocably give to us the right to enter your premises and repossess any goods to facilitate repayment of any outstanding debts owed to us by you.
- c. In the event of any resale by you of the goods, our beneficial entitlement shall attach to the proceeds of sale or other disposition thereof so that such proceeds or any claim shall be assigned to us and, until and subject to such assignment shall be held on trust for us by you, and you will stand in a strictly fiduciary capacity in respect thereof but you may retain the excess (if any) of such proceeds over the amount outstanding under the contract between you and us.
- d. Goods for delivery outside the United Kingdom are sold on Ex Works terms and property and risk shall pass to you when goods are handed to your carrier.

9. Tests

Any inspection or tests which you require to be made or carried out in respect of the goods shall be at our works or, in the case of goods not of our manufacture, at such other place as may be specified by us. All fees incurred in connection with such inspection or testing (by such bodies as Lloyds Bureau, Veritas, British Corporation, etc.) will be charged extra.

10. Special Finishes

By special order some products can be ordered in non-standard finishes. This will incur a minimum surcharge of 25% over the black or standard finish price. Special products/colours cannot be returned and are often hand painted so subject to some variation.

11. Variations

- a. Due to the hand-made nature of many of our products, there may be slight fluctuations in size, colour or design. We also reserve the right to alter our designs without prior notice.
- b. We reserve the right to despatch and invoice pro-rata at the quoted terms of payment any part of an order when available.

12. Claims - Notification Of Damage Or Loss

In case of alleged shortage or damage you must submit a written claim to us and to the carriers within 3 days of receipt. Claims made outside this time limit cannot be entertained. Non-delivery of goods must be advised within 7 days from the receipt of invoice. In the event of damaged packages the drivers receipt should be endorsed "Received Damaged", or the goods should not be accepted. Delivery notes signed 'unexamined' are not sufficient to uphold a claim.

13. Returns

Goods ordered by any client and supplied correctly by the Company will not normally be accepted for return. In such cases where the Company is in agreement to accept goods to be returned, a restocking charge, subject to the condition of the returned goods, will be deducted at a standard rate of 30% or £20.00, whichever is the greater, unless you have signed up to a special agreement to the contrary. In the event of any item being returned as faulty, the Company reserves the right to repair or replace the item at their discretion. Special products/colours will not be accepted for return.

14. Recommendations, Illustrations, Specifications Etc

Recommendations regarding the use of goods supplied by us are based on tests and experience and are considered to be reliable. However, since the conditions under which such goods are used and to which they may subsequently be subjected when in service are beyond our control, we do not guarantee except as specified in Condition 14 hereof, the results obtained. Nor can we guarantee the accuracy of any specifications, illustrations, drawings or other particulars of our goods combined in any of our catalogues, price lists, advertisements or any other publication issued by us.
